Dear Mudia:

Attached I have drafted a funding request for the Highland Median Project that I am extremely interested in moving forward with the Hollywood Community. These six (6) medians have been ignored for the last 10 years and are overgrown with plant material and are in desperate need of a "make-over". Let me know if you have any thoughts on this idea for funding.

Look forward to your response.

Sincerely,

Lisa Schechter

Subject: DWP Grant & Loan Opportunities - Hollywood Media BID

Dear Mudia:

It was a pleasure speaking to you on the phone yesterday regarding possible grant opportunities for the Hollywood Media District BID. As the new Executive Director (October 2015) - I wanted to ensure that the Hollywood Media District was on the list for any and all GRANTS through DWP. You mentioned that DWP is offering Loans for sustainability projects. Can you please send me some information regarding this program - as my Board Members might be interest in pursuing this avenue. My email is as follows:

Look forward to working with you in the near future.
